

THE UNIVERSITY OF AKRON  
GENDER-INCLUSIVE RESTROOM POLICY

In keeping with The University of Akron's (the "University") Affirmative Action Policy (University Rule 3359-38-01), Anti-Harassment and Discrimination Policy (University Rule 3359-11-13) and Gender-Based Misconduct and Title IX Policy & Protocol, as well as governor DeWine's Executive Order 2019-5(D), all of which protect individuals on the basis of gender identity, gender expression and sex, the University desires individuals to use the restroom that best corresponds to their gender identity, gender expression and sex.

Both gendered and gender-inclusive restrooms are available on campus for use. In some instances, a designated gender-inclusive restroom may contain multiple stalls. For a list of the current gender-inclusive restrooms on campus
